Dear Friend,

All at Langley are looking forward to an exciting year ahead.

Valentines weekend was buzzing throughout the Castle, with guests enjoying a romantic gourmet experience in the Josephine Restaurant. Who knows, a few of those couples may be back to tie the knot here in the coming years.

Mothers day lunch should be the next date for your diary, Sunday 14th March.

We also have some credit crunching room offers available throughout March; these are subject to availability so book early to avoid disappointment.

Regards

Anton Phillips, General Manager

Cocktail of the Month

One of our most popular cocktails at Langley Castle the 'Langley Mojito'; our take on a fresh tasting drink from Cuba that's great to enjoy with friends.
