WEDDINGS

# Welcome

**If you're looking for the ultimate wedding venue, look no further than Langley Castle Hotel, a stunning medieval castle located near to the World Heritage Site of Hadrian's Wall in romantic and welcoming Northumberland.**

Langley Castle could have stepped right out of a fairytale and offers all you could desire for your special day, in true once-upon-a-time fashion. With ten-acre woodland estate and beautifully landscaped gardens, plus amazing castle backdrops and grandeur, there are many vistas to enjoy as you sip Prosecco or Pimms on the lawn, or gaze down from the battlements.

## A Unique Venue

**Let us make your dreams come true... be king and queen for a day in your own fairy-tale castle.**

Unlike many castles, Langley has stayed true to its medieval roots, giving couples the thrill of being pictured in window seats set into seven-foot walls and the drama of descending down spiral staircases, past knights in shining armour. This is a romance charged venue that charms from the moment the castle is glimpsed from the bottom of its sweeping drive and which mesmerises the minute the wedding party fall under the spell of the sparkling chandeliers.

With captivating windows, framed by richly coloured drapes, and little touches that provide huge talking points, this is a venue beyond compare in which to stage the timeless and ever in-vogue castle wedding.

## All-exclusive Occasions

**Langley only hosts one wedding on any given day, ensuring the care and attention to detail that is essential for the success of any wedding reception.**

But could you imagine having a complete castle at your disposal, playing king and queen and entertaining your friends and family most royally? Why not make that a reality? The castle and its grounds could be exclusively yours from noon on the day of the wedding, until 11am the following morning, which means 25 luxuriously appointed guest rooms, plus a 10-acre estate, are your kingdom for a wedding day of your dreams. Fairytales really can come true.

## Your Castle Ceremony

**Revel in lovingly designed rooms, adding profound intimacy to your ceremony.**

Our magnificent drawing room is ideal for a smaller celebration. Our Stuart Suite has church like windows and a beautiful ambience as an alternative choice to our Josephine room.

A number of options are available in the grounds of the castle from our Woodland Wedding area, The Gazebo opposite the entrance to the castle as well as many areas within the castle gardens and grounds.

# The Reception

**Pop the champagne corks, let the drinks flow and enjoy!**

The day is all about you, and our aim is to effortlessly guide you from the start of your celebrations to the finish, creating a joyous occasion and long-lasting memories. We want your wedding banquet, first dance, evening buffet and last waltz to be played out like a dream, before you head for a nightcap in the drawing room to reflect on your perfect day.

Whether you wish to dine inside the castle, or maybe a Tipi outside in the garden, complete with fireworks, or anything else that would add another wow-factor to your occasion, we will make it happen. With an experienced wedding team able to craft your wedding day as you want it, your true castle wedding will be truly unforgettable.

## Rooms with a view

### What is a castle without sumptuous guest rooms?

**At Langley, some guest bedrooms within the incredible castle walls come with four-poster beds, feature bathrooms and a distinctive interior design.**

A further 18 guest bedrooms are found within the grounds and these enjoy stunning views of the castle and lots of little comforts and bells and whistles.
