

## WINE LIST INTRODUCTION

We are pleased to introduce our 2017 wine list. As always, we have listened to our customers' feedback, sampled a wide range of wines (this was particularly challenging!) and of course worked closely with our wine suppliers to provide a wine list which befits Langley Castle and the cuisine served in the award winning 'Josephine Restaurant'.

Our intention is to offer uncompromising quality at affordable prices and we really do feel that these wines deliver on all counts.

The New World continues to offer some of the best value for money, with South America especially, providing quality wines at affordable prices. As ever, Australia and South Africa are producing consistently high standards of wine.

And let's not forget the Old World classics, which are still the reliable, quality benchmark for many wine lovers. France continues to produce an abundance of stunning wines to suit all palates, while Italy and Spain are enjoying a real resurgence.

So whether you're here on business, for a celebration or just for pleasure, we are confident that you will find a wine to complement the occasion.

We hope you enjoy reading our wine list as much as we enjoyed trying them.

*Cheers!*
